BasinPack QuickShip Program

Unparalleled Quality and Variety

Watermark Engineered Product Sales, Inc.
17220 Harger Court | Noblesville, IN 46060
o (317) 219-4333 | f (317) 219-3370
www.WatermarkEPS.com

Watermark ships prepackaged fiberglass basins, panels and pumps—individually or as a complete package—within 24 hours.

Experts in Total Water Life Cycle Management

The Largest, Most Comprehensive Basin & Pump QuickShip Program

If you need a fiberglass basin or pump package, Watermark stocks it. With superior materials and unmatched depth of product offerings—and the flexibility to select different options—Watermark’s BasinPack Program fills any need.

Now, save time and money with BasinPack QuickShip. We offer more choice and flexibility than other quick shipment programs provide, and top-grade materials and components are part of our standard packages.

More Sizes

Don't wait for weeks to get the package you need. Already have your pump? We sell basins separately through QuickShip with no extra charge or minimum order.

Simplex Basins	Duplex Basins
24" x 60"	36" x 60"
24" x 72"	36" x 72"
24" x 84"	36" x 84"
24" x 96"	36" x 96"

More Variety

Choose from multiple pumps, basin sizes, and package configurations—BasinPack QuickShip offers more options than any other quick ship program. Our packages all accommodate **grinder pumps or sewage pumps**—giving you the ability to match the basin with your application. Watermark assembles the package you need, and gets it to you fast.

More Value

Our QuickShip basins come standard with superior features, avoiding corrosion and ensuring long-lasting durability.

- Stainless steel discharge piping
- Stainless steel guiderails
- Stainless steel lifting chain
- Cast iron check valves
- NEMA 4X, UL-rated poly junction box
- Non-sparking bronze disconnect
